[Vide answer to starred question No. 1649 asked by Sri T. T. Daniel (on behalf of Sri T. S. Ramaswami) at the meeting of the Legislative Assembly held on 20th September 1961, page 252 supra.]

I. Aided High Schools in the State (areas other than the transferred areas).

The nature of grants given to these schools falls under three main heads, viz., (1) Recurring grant, (2) Non-recurring grant and (3) Special grant.

(1) *Recurring grant.*—The recurring or teaching grants are sanctioned on the basis of two-thirds of the net cost of the institution. Various fee compensation grants and the grant towards the expenditure incurred by managements on payment of dearness allowance to teachers and others are also paid.

(2) *Non-recurring grant.*—The two principal items of the non-recurring grant relate to (1) buildings, building-site and playground and (2) furniture, books, etc.

The amount of grant admissible in both cases is one-half of the expenditure subject to a maximum of Rs. 35,000 in respect of item (1) above and Rs. 5,000 in respect of item (2).

(3) *Special grant.*—The grants of a special nature, available to aided high schools in the State are—

(*a*) A grant equal to one-half of the expenditure incurred on the purchase of land for playground is given, the grant being regulated on the basis of the maximum cost of Rs. 1,500 per acre in the rural areas and Rs. 3,000 per acre in the Municipal areas.

(*b*) For the construction of buildings falling under the approved schemes of "Introduction of Diversified courses of studies" and "Improvement of teaching of Science" grants on the basis of three-fourths of the expenditure subject to the prescribed limits are sanctioned.

(*c*) Teaching grants to the approved diversified courses are given on the basis of three-fourths of the approved expenditure.

(*d*) Aided high schools selected for introduction of the improvement schemes pertaining to craft, core subjects and libraries are given grants of non-recurring nature according to the prescribed scales.

II. Aided High Schools in the transferred areas.

These schools are governed by the Private Secondary Schools scheme of the former T.C. State, which is still in force in the transferred area. The two types of grants given to these schools are (1) Recurring grant and (2) Special grant. There is no provision for the payment of non-recurring grants for the construction of buildings, purchase of sites and equipment to these schools under the P.S.S. Scheme.

II. *Aided High Schools in the transferred areas*—cont.

(1) *Recurring grant.*—The management of a high school is paid every month a grant equal to the amount required for paying the salaries and allowances of the approved teaching staff at the rates approved by the Department, subject to the condition that 80 per cent of the fee collection is remitted into Government Treasury. In addition, the management is paid every year a grant to cover 20 per cent of the loss sustained on account of the grant of approved fee concession to pupils.

(2) *Special grant.*—The special grants mentioned in items 3 (*b*) and (*d*) in paragraph 1 above are available to high schools under the P.S.S. Scheme also. In respect of the diversified courses, the grant for the teaching staff is 100 per cent and that for the non-teaching staff is 75 per cent of the approved expenditure.
